**SAVE FOR REFERENCE**

# Index to Contents of PULP & PAPER for 1953

**JANUARY (Vol. 27, No. 1)**
Pt. Huron Pulp Blending ... 30
Paper Week Plans ... 32
New Mill for Texas ... 33
North Carolina School ... 34
Hoberg Paper Mills ... 36
Certain-teed in Okla. ... 46
Rhinelander Evaporator (By Folke Becker) ... 63
Mobile Kraft Meeting ... 66
Crossett Chip Supply ... 73
Chicago Conference ... 94
Brown's Sulfur Plant ... 95
Camas, Wash. Meeting ... 96
Pulpwood Section:
APA Program ... 81
Montreal Meeting ... 81
McArdle Interview ... 84

**FEBRUARY (Vol. 27, No. 2)**
Evadale, Texas, Mill Plans ... 30
Company Communications ... 31
Wisconsin's "Workshops" ... 32
Hollingsworth & Whitney Expansion ... 34
Japanese Investigate Alaska ... 52
New Weyerhaeuser Board Mill ... 56
Glues Become Specialized ... 86
University of Maine Program ... 103
Crossett Counter Rolls and Shipping ... 114
Pulpwood Section:
Paper Week Program for APA ... 80
Victoria, B. C., Forestry Meeting ... 80
Other Pulpwood News ... 81

**MARCH (Vol. 27, No. 3)**
U. S. Market Pulp Outlook ... 30
St. Regis Starts Jacksonville Mill ... 31
Natwick to Manage East Texas Mill ... 32
Hopper Paper Co. Expansion ... 34
Mosinee Paper Mills Six Year Program ... 50
Colorado Deal Off ... 81
Outlook For Chemical Cellulose ... 82
Cause of Longview Tank Explosion ... 82
Highlights of Canadian Meeting ... 90
Pulpwood Section:
Eastern Corp.-Dead River Agreement ... 66
Northeastern APA Meeting ... 70
Southern Association in Atlanta ... 78

**APRIL (Vol. 27, No. 4)**
Secy. McKay Gives Views on Alaska Forests ... 30
Paperboard Head Calls for Men and Ideas ... 31
Paper Week—1953
Institute's Biggest Reunion ... 32
New Problems Aired ... 34
Tribute to Libby ... 43
Digester Corrosion Discussed ... 44
Automatic Transfer for Newsprint ... 50
Paper Week Personals ... 57
Review of TAPPI Papers ... 60
Marathon and Northern Paper Mills Merge ... 64
Northeast Community Relations Forum ... 84
Pulpwood Section:
APPA Discusses Forest Management ... 76
Thinning of Loblolly Pine ... 79
Northeastern APA Technical Meeting ... 82

**MAY (Vol. 27, No. 5)**
Pulp & Paper's own Report from the "New Washington" ... 26
U.S. and Canadian Views on the Tariff Issue ... 28
Thomas B. McCabe Looks at the Years Ahead ... 30
Bastrop Area Favored for Site of Olin Mill ... 34
Why Time-Life is Interested in East Texas Mill ... 34
